

# Carts Warranty

## **Carts Warranty:**

- Frames are warranted to stay as strong as new for 5 years.
- Our heavy power paint, zinc and chrome plating will not delaminate, fade, become unattractive for 5 years.
- Static Control (ESD) properties must remain within the nationally accepted standards of ANSI/ESDA S20.20, GSA and The ESD Association established and in place at the time of sale, for 5 years.

## **Exceptions:**

- Our cart warranty is only extended to the original purchaser and is prorated when used in multiple-shift operations.
- Casters are warranted against premature wear for 5 years.
- Normal wear and tear is expected over time, and is not covered.

## **For Service:**

Call BenchPro™ at **888-700-9888** or email [info@benchpro.com](mailto:info@benchpro.com). Customers only have the obligation to report the problem and **BenchPro™** will take care of the rest.
